

# Your last tax return reviewed for FREE!

When we prepare your current individual tax return we will also ensure that you received every entitlement on your last income tax return!

Tax law is extremely complex. That makes it easy for even the experts to overlook little things that can save you hundreds of dollars.

How many accountants will review your last tax return for free?

Call iPlan today about your current tax return and, at the same time our experienced and highly qualified accountants will confirm that you received every legitimate entitlement last year!

Call now to make your appointment - (07) 3367 6555

Level 1, 4 Park Road

Milton QLD 4064

# Tax return preparation with iPlan Taxation Services entitles you to:

- A **free review** of your last individual income tax return
- A free income **tax checklist**
- An **interview** with one of our experienced tax accountants
- **Electronic lodgement** of your income tax return
- Income tax **refund** within 14 days (subject to ATO processing)
- **Complete copy** of your current income tax return
- Identification of **tax planning** opportunities

Imagine enjoying all this for a **tax-deductible fee** of only \$135 (based on a standard tax return). A fee estimate for a more complex income tax return can be given upon request. Payment options available include: cash, cheque, eftpos or credit card.
